SELECTION CRITERIA:

Nominees will be selected based on the following criteria:

- Integration of PLT Activities:
 - How has the nominee incorporated Project Learning Tree activities into their classroom, non-formal education setting, outreach programs, or any other educational setting? Be as specific as possible.
- Inspiration of Environmental Education:
 - How does the nominee inspire others to integrate environmental education into their lives, classrooms, or work settings?
- Innovation and Creativity:
 - How has the nominee demonstrated innovation and creativity in their use of Project Learning Tree materials?
- Supporting Evidence for Nominations
 - Nominators must submit evidence supporting the nomination along with the form. This can include, but is not limited to: letters of recommendations, classroom or programs success stories (please make anonymous if they are minors), photos, or any other accolades.

Using the criteria listed above, please provide a response about the nominee and describe the supporting evidence included in nomination. Please limit your response to 500 words or less.
